Indiana contributed her thousands of brava soldiers to the war, and no state bears a better record in that respect than it does. In literature it is rapidly acquiring an enviable place. In war and literature Solomon Yewell, well known as a writer as "Sol," has won an homorable position. During the late war he was a member of Co. M. 2d. N. Y. Cavalry and of the lith Indiana infantry Volunteers. Regarding an important circumstance he writes as follows:

"Several of us old veterans here are using Dr. Miles' Restorative Nervine, Hears Cure and Nerve and Liver Pills all of them giving splendid satisfaction. In fact, we have never used remedies that compare with them. Of the Pills we must say they are the best combination of the qualities required in a preparation of their nature we have ever known, We have none but words of praise for them. They are the outgrowth of a new principle in medicine, and tone up the system wonderfully. We say to all, try these remedies."
